

# Product Line Portfolio

Supplier Name	Description
<b>Capital Equipment</b>	
Shel Labs	Lab Ovens, Incubators, Water Baths, Heated Bead Baths
<b>So-Low Environmental</b> 🇺🇸	ULT Refrigerators Freezers / Chests
Yamato Scientific	Lab Ovens, Muffle Furnaces, Incubators, Sterilizers, & other specialty products
<b>Chemicals</b>	
ChemProducts	Fine Chemicals
LabChem	Specialty Bench Chemicals
Ricca Chemicals	Chemical Solvents, Reagents, General Bench Chemicals
Sigma Aldrich	Chemical, Reagents, Life Science and Labware
<b>Spectrum Chemical</b> ✨	Fine Chemicals, HPLC Solvents, DEA Controlled Substances, Forensic Chemicals
SPEX CertiPrep	Inorganic and Organic Certified Reference Materials
<b>Chromatography</b>	
Agilent Chrom & Separation Supplies	General Chromatography and Spectroscopy Supplies
<b>Agilent LC &amp; GC Columns</b> 🇺🇸	Chromatography Columns
<b>J.G. Finneran Associates</b> 🇺🇸	Chromatography Vials
Teledyne	Flash Chromatography
General Separation Technologies	Chromatography GC Columns and Supplies
Kinesis	Chromatography Detector Lamps
Optimize Technologies	Chromatography Support and Preventive Maintenance Supplies
Perkin Elmer Analytical Supplies	Chromatography GC and LC Columns, Supplies, Equipment
Restek Corporation	Chromatography GC Columns and Supplies
Waters Consumables	Columns and Chromatography Supplies
<b>Labware</b>	
<b>Aries FilterWorks</b> 🇺🇸	Filters and Water Purification Systems
Azer Scientific	Clinical Chemistry/Histology/Microbiology/Hematology/Blood Bank
BD	Select Vacutainer Products
Bel-Art	General Labware, Plastics and Small Instruments
Biologix	Microbiology, PCR and General Laboratory Supplies
<b>BioPlas</b> ✨ 🇺🇸	Tubes, Tips, Plates, Scrapers
BrandTech Scientific	Lab Vacuums, Liquid Handling, PCR Products & Plastic/Glass Labware
Capitol Vials	Lab Vials and Plasticware
CellTreat	Lab Plasticware, Flasks, Bottles, Serological Pipets, Tubes
ChemGlass Life Science	Glass and Plastic Lab Consumables
Corning Axygen Scientific	Robotic Tips, Pipette Tips, Plates, Plastic Labware
Corning Falcon	Plastic Labware, Plates, Cell Culture Dishes and Flasks, Pipets, Tubes
Corning Glass	Lab Glassware, Vials, Bottles, Beakers and Small Equipment
Corning Gosselin	Microbiology Consumables
Corning Plastics	Lab Plasticware, Flasks, Bottles, Stripettes
Crystal Industries	Custom Freezer Racks
DWK Life Sciences	Lab Plasticware, Glassware, Packaging and Storage Solutions
Fischer Technical	General Labware, Educational Supplies, Vacuum Pumps
Foxx Life Sciences	Carboys, Solvent Waste Filtration, Vacuum Filtration, Plastic Labware
<b>Globe Scientific</b> ✨	Lab Plastic and General Labware
Greiner Bio-One	Plastic Labware, Plates, Tubes, Cell Culture Products
Heathrow Scientific	General Labware, Plastics and Small Instruments
Kemtech	Specialty Lab Glassware
Kord-Valmark	Petri Dishes and Clinical Cups
MTC Bio	Plastic Labware, Tips, Tubes, Pipettes
Pall Corporation	Filtration, Separation, and Sample Preparation Products
Porvair Sciences	Deep Well Plates, Microplates, Solid Phase Extraction Plates, Instrumentation
QorPak	Lab Glassware, Supplies, Containers, Packaging
Simport Scientific	Clinical Plastic Cups, Histology Specimen Collection

Supplier Name	Description
<b>Labware (continued)</b>	
Tintometer	Water Analysis Products
Traceable Products	NIST Traceable Timers, Clocks and Environmental Testing Equipment
Troemner 	Balances and Calibration Weights
United Scientific Supplies	Educational Labware, Plastics, Glass, Metal
Wilmad-LabGlass	Labware Glass, NMR Consumables
<b>Life Sciences</b>	
Agilent Bioreagents	Bioreagent Products (Stratagene)
Agilent Genomics Systems	AriaMx Real-Time PCR System and Consumables
AstaTech	Biologic Building Blocks and Biocompounds
Brooks Life Sciences	Cryogenic Tubes, Racks, Sample Storage, Sealing Film
Cayman Chemicals	Biologics and Biochemicals
Cell Signaling Technology	Cellular Building Blocks
ChemBridge Corporation	Biologic Building Blocks and Biocompounds
<b>Chem-Impex International, Inc. *</b>	Biologics and Biochemicals
Corning Media	Media, Serums, Reagents and High Quality Water
Cytiva (formerly GE Healthcare LS)	Filtration, Genomics, PCR, Bioprocess and Western Blotting
GenScript	Life Science Reagents and Supplies
IBI Scientific	Reagents, Purification, Electrophoresis
<b>LI-COR Biosciences </b>	Staining, Reagents, Imaging of Biologics
Millipore	Life Science Supplies, Bio-Separation Products
Oakwood Chemicals	Reagents, Solvents, Catalysts, Chiral Auxiliaries and Reactive Intermediates
Qiagen	FTA Cards
<b>Quality Biological *</b>	Media, Bioreagents, Serums, Antibodies and Chemicals
Research Products International	Antibodies, Biochemicals, Molecular Biology and Equipment
SAI Infusion	Clinical Catheters and Infusion Pumps
Tonbo Biosciences	Antibodies, Reagents, Recombinant Proteins
<b>Safety</b>	
<b>Alconox </b>	Cleaning Chemicals
Ansell & Microflex & High Five Gloves	Gloves, Safety Garments
<b>High Tech Conversions </b>	Task Wipers, Presaturated Wipers, Tacky Mats, Cleanroom Supplies
Metrex	Cleaning Chemicals
Neta Scientific PPE	N95 Mask (NIOSH Approved), Disposable Face Mask, Full Face Shield, Non-Contact Infrared Thermometer, Alcohol Wipes, Hand Sanitizer, Nitrile Gloves
<b>Neta Custom Seating </b>	Laboratory Seating
TempShield	Cryogenic Gloveware
TerraCycle	Zero-Waste Box recycling products
<b>Small Bench Instruments</b>	
Benchmark Scientific	Microcentrifuges, Rockers, Shakers, Baths and Small Instruments
Grant Instruments	Water Baths and Small Bench Instruments
Harvard Bioscience	Spectrophotometers, Amino Acid Analyzers, Cell Analysis Equipment & Lab Supplies
IKA Works	Mixing, Rotary Evaporators, Temperature Control, Shakers, Homogenizers
Labnet International	Centrifuges, Baths, Incubators, Mixers and Liquid Handling
Labstrong Corporation	Water Filtration Systems and Supplies
Motic Instruments	Bench Microscopes
<b>Mystaire </b>	Fume Hoods, Flow Hoods, PCR Workstations
OHAUS	Balances & Scales, Moisture Analyzers, pH Meters
Radwag	Balances
Sper Scientific	Meters, Test Probes and Environmental Measurement Equipment
Thermco Products	Hydrometers, Thermometers and Sound Meters
VEE GEE Scientific	Microscopes and Accessories
Velp Scientific	Food, Feed and Environmental Products
Victory Scientific	Temperature Sensors, Thermal Cyclers, Gene-specific PCR Products
World Precision Instruments	Electrophysiology, Animal Physiology, Cell & Tissue Biology Instruments

\* Diverse Supplier |  All or a portion of products Made in the U.S.A.

Neta Scientific, Inc. | 4206 Sylon Blvd, Hainesport, NJ 08036 | Call: (609) 265 8210 | Fax: (609) 265 8213 | [netascientific.com](http://netascientific.com)
