CORNING

Social Partnership Promotion

We are excited to announce that Neta Scientific and Corning are collaborating on a co-promotion to celebrate Seeding Labs' 10th Anniversary with the introduction of the Corning® Gosselin™ brand to our Product Line Portfolio

Corning Gosselin disposable labware provides beginning-to-end solutions for microbiology and quality testing labs. From bottles and petri dishes to equipment and lab supplies, your microbiology workflow will benefit from products of uncompromising quality and compliance.

Seeding Labs is a non-profit organization based in Boston, MA that supports global science in developing countries to conduct life-changing research with the help of sponsorships and equipment donations. For additional information about Seeding Labs, please [visit their website](#) to learn about their mission, programs, success stories, and more.

Buy \$1,000 of Corning Gosselin participating microbiology products* from July 1, 2018 through December 31, 2018 and Corning will donate three (3) cases of 100x15 mm petri dishes to Seeding Labs. Use Promo Code SEEDING18.
